

## AN EXCLUSIVE INSURANCE PROGRAM FOR NONPROFIT MISSOURI MEMBERS

### Serving your business while you serve your community

Your nonprofit business is unique, so your insurance program should be too. That's why Heffernan Insurance Brokers has partnered with Nonprofit Missouri to bring specialty programs from insurance carrier partners, Missouri Employers Mutual, and The Hanover Insurance Group.

Besides the immediate cost savings your company will receive by signing up for this new program, you will be taking out the hassle of managing your insurance by placing it with a broker that has decades of experience in insuring the nonprofit industry. This program will also make the association itself stronger by allocating capital back to Nonprofit Missouri.

### Devoted to complete coverage for your practice

Our unique programs can help your business cut costs and mitigate risk.

- Heffernan Insurance Brokers will offer a \$250 Claims Management credit.
- Heffernan will offer free consultation to all Nonprofit Missouri members.
- MEM will offer a 5% expense reduction credit for all member companies enrolled in the program with EFT and a loss control meeting.
- MEM offers unique dividend and safety programs to reward companies for safe business practices.
- Hanover will offer customized plan designs, pricing, and risk management services.
- Hanover will allocate funding to Nonprofit Missouri.

*Because You're Different*
